

## A Beautiful Relation

In our day to day life, we meet several people. Many share the journey of their life with us during their schooling, graduation, commute, working place or in some other places. Among them, some people have similar characteristics as ours and they tend to mingle with us by creating a relationship. The developed relationship when getting old may sometimes hurt us, betray us, leaves us in an unstable state and may even cheat us. Whoever reading this, you might have gone across such a person in their life including me.

At this situation, I wish to introduce one with whom you can have a relationship throughout your life. He will never ever leave you, hurt you or do any harm to you. He is always there for you and He wants you to have a relation with Him. So now, I hope that you might be thinking who is He? He is our God who made you and me. Yes, God wants to have a relation with you. He is knocking at the door of your Heart. He says in the book of revelation, *"Behold, I stand at the door, and knock"*. Yes! He is knocking at the door of your heart and the only one thing you have to do is that you just have to let Him inside your heart.

In Isaiah 49:16, *"God has engraved you on the palm of His hand"*. So, He is watching you always. He is Ubiquitous in nature so you can call Him anytime, anywhere and He is always available for you. You might have many problems and you might be confused in finding a solution for those problems. No worries anymore. You can seek Him and He is there to solve your problems.

In John 1: 12, *"To all who believed Him and accepted Him, He gave the right to become the children of God"*. Being the child of the creator is the greatest ever honour you have in your life.

In Exodus 23: 25, *"I will take sickness away from the midst of you."* So, you might be sick and the doctors could not be able to cure you or provide medicines for your illness. Do believe in God and He has the power to take away all the sickness from you.

In John 3: 16, *"Whoever believes in Him should not perish but have everlasting life."* You cannot start a relation unless you believe Him. So, the relation you have with God would give you an everlasting life at the end.

The mixture of cement and iron makes a concrete building stronger. Similarly, there are two things which we have to do every day to make the relation stronger. First thing is reading His Words from the Bible through which you can interpret His will on you and the other thing is the Prayer through which you talk to Him.

So, the one reading this, don't be late to start a relation with Him. You might have already started, but you might fail to maintain the relation with Him. Currently you might be in any situation, but don't fail to start / restart the relation with God until it is too late.

*"Jesus didn't come to start a new religion. He came to have a relationship with you, A Beautiful Relation"*

May God bless you
